Civil society policy engagement meeting

## Introduction

Health and Rights Education Programme (HREP) is a registered non profit making, non governmental organization that was formed in 2006 .

Our mission is to promote good health and equal rights for all through civic education, lobbying, advocacy, research and documentation.

### ONSE Health Activity Joins Government in Unveiling Health Ambassador in Malawi

HREP Malawi Executive Director appointed first ever National Community Health Ambassador for Malawi to promote meaningful community engagement with policy makers in advancing health for all.

## Overall Goal

The overall goal is to consolidate the health and human rights initiatives in order to empower citizens to participate actively and effectively in the Socio economic and cultural affairs to our country and the world in building a health society.
